Sir Syed Ahmed Khan (1817 – 1898)
(Founder of Aligarh Muslim University)
(An Educationist & a Reformist)

Introduction

Sir Syed Ahmad Khan was a Islamic modernist, philosopher and social activist of nineteenth century. He established the MAO College which eventually became the Aligarh Muslim University in 1920. He opposed ignorance, superstitions and evil customs prevalent in Indian Muslim Society. He firmly believed that Muslim society would not progress without the acquisition of western education and science. Throughout his life Syed Ahmad found time for literary and scholarly pursuits. The range of his literary and scholarly interests was very wide: history, politics, archaeology, journalism, literature, religion and science. He was a pioneer who worked for the socio-political upliftment of Indian Muslims. His said "Hindus and Muslims are the two eyes of the beautiful bride that is Hindustan. Weakness of any one of them will spoil the beauty of the bride.

About the School

With an aim to provide quality education and an impressive centre of learning where pupils can write their own success story, IQRA Public School was established by Er.Ainul Haque in 1994 under the aegis of Educational & Welfare Trust, Siwan. Now IQRA has emerged as a leading Co-educational English medium institution in the region in its own campus spread over in 2 acres of sprawling green land.

IQRA is known for its Impressive Results, Quality Education and Strict Discipline. More than 3000 students and their parents from various parts the state that includes Siwan, Gopalganj, Champaran, Chapra, Samastipur etc have shown their confidence in us.

The school is affiliated to CBSE, Delhi upto 10+2 and has been declared as a Minority Educational Institution by National Commission for Minority Educational Institutions, Government of India in 2014. It intends to nurture and respect children of all backgrounds. Students are scaling new academic heights under the able guidance of our experienced teachers. The school has Smart Class facility equipped with Audio Visual aids to ensure that teaching learning process is interactive and full of fun. It is offering Science stream subjects at Senior Secondary level also.

The management and the teachers are focused to create opportunities for students to realize their talents and hidden potentials besides their academics.

IQRA rededicates itself to the service of the community and solicits co operation for making its endeavor a grand success.

Message

Assalam – o Alaikum

IQRA PUBLIC SCHOOL Haque Nagar surapur siwan was Established in 1994. The main aim to establish this institution is to develop quality education and to establish an impressive center for learning where pupils can receive a balanced education in an Islamic environment that will promote their spiritual moral, cultural, mental & physical development.

Over all progress of the student and satisfaction of the guardians are the real assets of this institution. It is my aim to mould our students in such a way that they must be recognized by their own behavior & character.

IQRA is one of the best names of the Institution meaning by "to read or proclaim." Which is the first word of "HOLY QURAN". I always pray Allah, for its future development and betterment.

Er. Ainul Haque
Chairman cum Secretary
(Educational & Welfare Trust)

Message

Assalam – o Alaikum

At Iqra we are conscious of the fact that we are responsible for shaping the minds of our students as per the inherent capabilities of each child. We encourage our students to ask questions and develop a spirit of enquiry. The great challenge of teaching is not about having many students in the class or school. It's about giving every child exactly what he or she needs to grow into a confident, self-loving adult, who can offer something back to the society.

Iqra's rigorous academic procedures, extensive investments, steadfast commitment to quality and firm management have shaped the dynamics of our institution that exceeds the standards of the C.B.S.E. (Delhi) curriculum. Iqra was established as a minority institution in the year 1994.

In Arabic, the term 'IQRA' means 'to read' and was the first word of the holy Quran to be revealed to our beloved prophet Mohammed (PBUH)

It's our deam to make student's quality citizens of the society to which they belong and to develop in them the quest for knowledge throughout their life. Therefore, all the activities, academic or co-curricular, organized throughout session are an earnest effort in this direction from our side.

As a Principal, I hope that the experiences gained at Iqra will gear our students towards the bright and prosperous future they deserve.

I wish all the very best of success!

Er. Saghir Alam
Principal

The School provides facilities for various disciplines of games and sports. Opportunities are given to the students of all age groups to develop their all around proficiency in games and sports besides dedication to achieve the desired objectives. It is compulsory for students to participate in Games and Sports, and parents will cooperate with the school if their ward is selected for sporting activities inside or outside the school campus.

Iqra Public School has a big play Ground in school campus. Every child gets an opportunity to participate in competitive athletics and Co-Scholastics activities. On every Saturday inter House Competitions are organized to assess their performance in the respective areas.

Care, Guidance and Support

Taking care of our children and encouraging them to develop positive attitudes is an essential part of the ethos which runs throughout our learning community.

We respect the views of the children and listen to what they have to say, particularly through the school council where they are able to voice their opinions and make decisions which affect the whole school.

We encourage children to consider the feelings of others and use peer monitoring programmes to allow them to try and resolve any differences which occur on the playgrounds.

The school has a comprehensive approach to support children's understanding of physical development, health and wellbeing and we use aspects of the social and Emotional Aspects of learning (SEAL) programme to develop their emotional literacy skills.

8. Be courteous and cultivate good manners.
9. Endeavour at all round development of the personality.
Be in the tune with the eternal culture of India and enrich it with the study of modern science and technology.

Home work policy

We believe that homework is an integral part of the learning process. It gives students the opportunity to.

- Work on their own
- Develop their ideas
- Research around different topics
- Learn to plan their time and meet deadlines
- Reflect upon the work of the school day
- Prepare for the next lesson

Teacher will set appropriate work, which will allow these skills to develop. Homework is part of the overall scheme of work and plan. It will give opportunity for students to extend their learning and to reflect.

We recommend that students have a calculator, thesaurus and foreign language dictionary available for use at home.

All students will have a planner to write down their homework, which will be checked regularly by staff. A homework timetable will be given to students, but this is a guideline only. Homework will often be set with a deadline a few days later, and students need to develop the skill of organizing their work and time so that they can meet such deadlines.

Success in examinations depends on time and effort being given to learning both in and out of school hours. Wherever possible, parents will be encouraged to provide a suitable place, away from distractions for their children to complete homework.

Parents will be asked to check and sign the student planner weekly and encourage their children to meet the homework deadlines.

School Routines

The school day begins at 08:30, although we ask the children to arrive ten minutes earlier so that they are able to come in, settle down and begin their learning in the right frame of mind. Parents may accompany their children to the playground before they enter the school building, but are only permitted to enter the school themselves via the school office at the main entrance. Timetables for the different key stages are included as a separate document.

Anti Bullying Policy

اس دل کو یقین محکم سے ایمان کو قوت ملتی ہے
اس قصر ادب کے آنگن میں ایمان کی دولت ملتی ہے
صدیوں میں تمدن پلتا ہے دو چار برس کی بات نہیں ☆
پالا ہے اسے دل والوں نے یہ سب کے بس کی بات نہیں
جو دل کو مسخر کر لے اسے دنیا کی حکومت ملتی ہے
اس قصر ادب کے آنگن میں ایمان کی دولت ملتی ہے
شاہوں کو ملی ہے بھیک یہاں داانا کو ملی ہے دانائی ☆
اس مرکوفن نے بخشی ہے محروم نظر کو بینائی
اخلاق و عمل کے شعلوں سے جذبوں کو حرارت ملتی ہے
اس قصر ادب کے آنگن میں ایمان کی دولت ملتی ہے
یہ اقر اُ سورہ اقر اُ کی تعبیر بنے تفسیر بنے ☆
اوصاف و عمل میں اے مولا قرآن کی یہ تصویر بنے
تا حشر سلامت سینوں میں ایمان کی یہ جاگیر رہے ☆
ہر وقت جنوں کے پاؤں میں اک ہوش نمازنجیر رہے
زنجیر رہے، جاگیر رہے، تصویر رہے، تفسیر رہے

اس قصر ادب کے آنگن میں ایمان کی دولت ملتی ہے
پیغامِ محبت ملتا ہے تنویرِ بصیرت ملتی ہے
یہ لنگ و جمن کا سنگم ہے یہ علم و ادب کا مخزن ہے ☆
تہذیبِ بدن کا پیرا، من یہ طاہر دل کی دھڑکن ہے
اس علم کی عظمت کیا کہیے جس علم سے عظمت ملتی ہے
اس قصر ادب کے آنگن میں ایمان کی دولت ملتی ہے
فطرت کے روپے ہاتھوں سے جس پھول کو قدرت بوقی ہے ☆
خود شبنم آکر شام و سحر اس پھول کا چہرہ دھوقی ہے
آکاش وضو جب کرتا ہے دھرتی کو طہارت ملتی ہے
اس قصر ادب کے آنگن میں ایمان کی دولت ملتی ہے
ناموسِ وفا کے متوالے دلو الے ہیں دلدار ہیں ہم ☆
دیکھا ہے جہاں کی آنکھوں نے بیدار تھے ہم بیدار ہیں ہم
