

IQRA PUBLIC SCHOOL

Haque Nagar, Surapur, Siwan-841226(Bihar)

ANNUAL REPORT

Iqra Public School aims to provide quality education and an impressive centre of learning where people can write their own success stories. I, Saghir Alam the Principal of the school take immense pleasure and pride to present to you a report of our activities and achievement of the past years.

Vision and Mission:

Our founder Er. Ainul Haque established the school in 1994 under the aegis of Educational & Welfare Trust, Siwan. The main aim to establish this institution is to impart quality education and provide an impressive centre of learning for the students of rural as well as urban areas. Many our students have qualified in different Govt. Jobs, like IES, BPSC, and also completed NEET & IIT, Some are serving as Scientists in foreign countries also.

“The Vision of Er. Ainul Haque is based on the path of Sir Syed Ahmad Khan, who was a great reformer & educationist who said “Education is the most powerful weapon which you can use to change the world. IQRA itself means “to read”.

Philosophy:

We have notable achievements in all the previous academic years & also in the last session 2022-23 under the dynamic, motivational and proactive leadership of our Vice-Principal, coordinators and our dedicated teachers, we achieved tremendous results in class X and XII, every year. The school focuses not only on advanced academics but also on extra-curricular and co-curricular activities. Students are trained at a very young age towards incorporating a sense of responsibility, loyalty, team spirit, and healthy competition to become graceful and dignified personalities.

CBSE Result: 2022-23 (Class X & XII)

The total number of students who appeared for CBSE Board Examination were 271 in both the classes i.e. class X and XII. Out of them 10 students have scored more than 90% marks in class X & XII. This year the school recorded cent percent result.

Achievements:

Like past years this year also our students made us to feel proud while achieving the seats in BPSC, NEET and JEE etc. Our student has been selected in Entrance exam, as Jr Scientist in NASA also. In entertainment field our student is Anchor in T.V 100 channel at New Delhi.

Staff:

The school has an experienced and dedicated team of 69 teachers from Primary to Senior Secondary. In addition, we have more than 10 Non-Teaching and Supporting staff coordinating with each other to accelerate the function of school smoothly.

PTM / SMC:

Parents teachers meet as well as School Managing Committee meetings are held regularly after a gap of 3-4 months every year in the school campus to address the complaints and consider the suggestions of the guardians.

Academic Activities:

Competitions and academic activities that go beyond the text books and the classrooms encourage and foster a healthy and competitive spirit and effective communication skills in the students. Some of these events are handwriting, essay, speech and slogan writing competitions. Competitions are also held for Poetry recitation, story writing and narration, debate, English and Hindi & Urdu, GK, and Maths and also quiz competitions.

Teachers Training:

Like each academic year, trainings, seminars and orientation programs were conducted for teachers with a dual focus to improve and effectively implement innovative ideas in teaching-learning practices as well as to take the students beyond their current level of learning.

Games and Sports Competitions:

Games and sports are regularly organized in the playground as routine wise. It is very necessary to develop a sense of friendliness among the children and also build their team spirit. It helps children to develop mental and physical toughness. Bearing this in mind, the school provides ample opportunities for students to perform regular exercises like athletics, Badminton, Basket Ball and football etc.

Infrastructure:

There are 49 class rooms sized 25*20' i.e. 500 sft. each. Beyond this, there are well equipped Science labs and Library with more than 11000 books. There is a large reading section area in the library hall. There is a separate computer lab equipped with 40 computer sets for the students to perform lab as per routine under the guidance of the I.T teacher.

Conclusion:

By the grace of God we have achieved two big campuses one green campus is for the prayer and the other is being utilized as playground. Annual function and other programmes are also organized in that very campus.

Every year we use the development fund for the benefit of the students and we construct the rooms, toilets etc as per requirement. It is our best effort to maintain the academic atmosphere with discipline and to make the students God fearing.

I render thanks to our Vice-Principal Mr. Rakesh Kumar Srivastava, who is the most dedicated and an inspiration to the organization. Finally, I express my gratitude to our Management, Members of the school managing committee, teachers, and non teaching staffs, parents, and students for their continuous support and positive response to make this institution achieve its Vision and Mission.

Now, I conclude the report with regards.

Thank you.
